## FROM OUR FOUNDER.....

Dear Student:

Welcome to Beaver Beauty Academy. You are entering a learning experience that will give you the opportunity to be successful in the beauty industry. It is our goal to offer you the basic training of your chosen course so as to improve your opportunities to take and pass the licensure examination required by the State of Georgia.

Once you finish your coursework the possibilities for employment are numerous, as are the applications of beauty, and massage therapy. Hospitals, MDs, chiropractors, physical therapists, and other medical professionals are increasingly encouraging their patients to receive massage and esthetics-based skin services and adopt an active lifestyle. Spas and resorts are also eager to employ our students and even large corporations have begun utilizing on-site massage therapists and fitness centers as a way to reduce employee stress and absenteeism. No matter what your goals as a therapist, our students enjoy exceptional placement rates. If you choose to go into business for yourself, you will benefit from our course on generating business plans, marketing materials and entrepreneurship.

We emphasize on teaching you how to be successful in the marketplace, and how to gain experience from each of the operations that you will perform during your training. The operations are an element necessary for you to take the required state license examination. The state license is required in order to obtain employment as a massage therapist. Your training will take place within an environment similar to that of your prospective employers. This means that you will be expected to be punctual and respectful toward your instructors, your fellow students and your patrons. It also means hard work, dedication, and lots of practical work on your part. Your training will consist of theory classes, applications of subject matter studied in the theory classes, shop management, business concepts, and the elements of personal success.

We truly believe that your experience here will be unique compared to that of other schools. From being an integral part of a comprehensive health care team, to providing relief from life's daily stresses, massage therapy and health & wellness programs have become more essential than ever and offers limitless opportunities to effect positive and lasting change in the lives of others. And when you improve the life of another, you can't help but improve your own as well.

It is a pleasure to have you join us at Beaver Beauty Academy. Welcome to the first step on the road to the most rewarding career you'll ever have. Enjoy the journey, and we look forward to meeting with you soon! The degree of your success will depend on the effort you are willing to apply during the entire course of your training. I believe the future of our industry is you. Our students are what the industry is all about! Again, welcome to Beaver Beauty Academy. The entire staff wishes you a very successful career in the massage therapy industry. Enjoy the journey, and we look forward to meeting with you soon!

Sincerely,

Melanie Beaver, Ed. D.  
Director of Education

## ATTENDANCE REQUIREMENTS

Students are required to attend all scheduled classes. It is assumed that students will fulfill their responsibility by attending all of the classes and contributing ideas. **All absences** are considered **unexcused** and will impact your attendance average which may ultimately negatively impact your satisfactory adequate progress (SAP).

## ABSENT POLICY

Attendance takes on a very serious role in very beginning of our program, which we call junior level. Junior level represents the time in our curriculum where you are learning all the rules. As importantly, there really is no way to “make up” hours during this extremely important time frame. Every day brings new instruction and new techniques. So missing time here can have a severely detrimental impact on future skill development.

Because of all this, BBA only allows a Future Professionals to progress to the next level if they have 230 hours or more. Students who have less than 230 hours will remain in junior level until the hour requirements and academic requirements are satisfied. Our role as an educational facility is to present “best practices” of our industry and to hold our Future Professionals to them. Future Professionals are required to be on time and remain in school for the entire scheduled day. **Your instructor must approve ALL early dismissals 24 hours prior to the date of the early leave.** A Future Professional who is NOT maintaining at least a 70% attendance standard will be placed on a Student Action Plan.

## FINES

1. Missed Friday/Saturday \$25 each day
2. Out of uniform \$10 per occurrence
3. Suspected use of drugs or alcohol \$100 + suspension pending a hearing

## FRIDAYS AND SATURDAYS

In order to closely facilitate a normal salon work environment, Beaver Beauty Academy has designated specific “all day clinic” days. The purpose of these days is to get Future Professionals use to the rigors of the “real world” salon environment. All Day Clinic days are always on Fridays (Day Students) & Saturdays (Day & Evening Students). However, from time to time, other days during the week may be designated as All Day Clinic days during holidays. All Day Clinic days are MANDATORY. Future Professionals who do miss an All Day Clinic day will receive a \$25 fine. This fine must be paid upon returning to school the following day.

The thing to remember is that Beaver Beauty Academy is a “clock hour” institution. One of your graduation requirements is to complete your clock hours within a certain period of time and a specific attendance ratio. Failure to do so will result in an Incomplete Graduation and you will need to reenroll to finish your remaining hours. At that time, you will be subject to additional fees. There are no “excused absences”. If you cannot commit to maintaining a good attendance standard and the schedule you are contracted for, please give serious thought to whether you really should be enrolling in the program.

## REPORTING A TARDY OR ABSENCE

Future Professionals must NOT BE LATE as it inhibits the learning process. If you are late or cannot attend school you must contact their instructor by phone or text. Future Professionals must call in by 9:00 a.m. Future Professionals are responsible to work independently to make up all clock hours they have missed and theory lessons.

Please note that you may not continuously call out to be late. While we appreciate the effort to let us know you are delayed, it is your responsibility to ensure you have given yourselves enough travel time to ensure you arrive to BBA in time to start your day properly. BBA understands that things can create challenges in your lives so we provide each student with FIVE (5) tardy passes during orientation to be used throughout the course of your program. You must arrive to school no later than 30 minutes after the scheduled start time. After you have exhausted your tardy passes, you will not be permitted to remain in school if you arrive more than 15 minutes past the scheduled start time.

## EARLY LEAVE & VACATION REQUESTS

With the exception of same day emergencies, students needing to leave school early, must notify your instructor 24 hours prior to the event. Vacations, illnesses, and other absences are all considered unexcused and will negatively impact your attendance average. During these absences, any missed Fridays and Saturdays will incur a \$25 fee per day.

## LEAVE OF ABSENCE

Requires students to provide a written, signed, and dated request, that includes the reason for the request, for a leave of absence prior to the leave of absence.

However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

A leave of absence should be a minimum of 14 days and should not exceed 180 days. All requests and approvals for a leave of absence must be made in Orbund using the New Leave of Absence Request Form. The form must be submitted in writing, signed and dated. The form must be completed in full to include the reason for the request, for a leave of absence prior to the leave of absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

## CHANGE OF ENROLLMENT STATUS

Students wishing to withdraw or switch from day to evening enrollment must submit a New Schedule Change Request Form in Orbund.

## TUITION VS. ATTENDANCE

Monthly tuition is due regardless to if a student attends school during a given time period. Tuition covers the attendance time frames listed below. Students who exceed the listed time frames will be required to pay by credit hour to complete the program.

## REENTRY

Students who want to reenter school must contact the school administration. Determination for reentry will be made on an individual basis. Any hours accumulated and paid for will be honored for 180 days after your last date of attendance. A \$250.00 reentry fee will be due in order to return to school.

## GRADUATION AND PROGRAM REQUIREMENTS

To be eligible for graduation, the student must successfully complete:

1. Attendance requirements
2. State Board Credit Requirements
3. Electronic portfolio
4. Completion of exit exam
5. Payment of financial obligations
6. Loan Exit Counseling if applicable

### **Graduation Credits**

To satisfactorily complete the program students must achieve the required number of graduation credits and clock hours. Clock hours are achieved by clocking in and out daily. Credit hours are obtained by participating in the following activities:

- Theory Class
- Clinic Floor Services
- Mannequin Work
- Labs/Spa Management

## CLINIC FLOOR SERVICE/ MANNEQUIN SERVICE

All persons (students, clients, instructors, etc.) must have a service ticket in order to receive services on the clinic floor and to ensure that the student providing the service receives graduation credits. Persons receiving services must sign in and pay for services before a ticket is issued and services are provided. Students who provide services without a ticket or provide services that are not listed on a ticket will not receive service credits and may be required to pay for the services that were not paid for. TO AVOID THIS, DO NOT PROVIDE SERVICES WITHOUT A PROPER TICKET. Students should cross reference service tickets with the client sign in sheet daily to ensure that you have been assigned to the correct client(s)/service(s). Before leaving each day, tickets should be stapled together, with your name on the top ticket and are to be submitted to your instructor along with your portfolio at the end of your shift. The instructor will use them to validate your service credits in your portfolio.

### **Mannequin Service**

Upon completion of services on a mannequin for graduation credits, it is the student's responsibility to obtain their instructor's sign off as verification of the service. Mannequin services should be logged in your academic portfolio on the graduation credit sheet.

## LABS AND SPA MANAGEMENT

In order to facilitate a salon like environment, students are assigned labs and spa management duties. Each program has a minimum number of credit applications required that have been set forth by the Georgia State Board of Cosmetology and Barbers. The labs will be assigned by instructors and must be completed each day as needed and/or before leaving daily. Lab/Spa Management credits are just as essential to your preparation as service credits and theory credits. As a future

professional, it will be imperative that you develop the skills and competencies needed to effectively provide phone/face to face customer service, housekeeping, stocking and sanitation duties.

## POLICY AND PROVISIONS

## **EMPLOYMENT ASSISTANCE & CO-OP PARTICIPATION**

To be successful in the fields of cosmetology and barbering, one must demand high standards. Job preparation and planning should begin by the end of 1,300 clock hours. Employers often contact the school for references, transcripts and student knowledge, skills and abilities. The school provides assistance to students by posting job information on the bulletin boards and responding to requests for information about students and making referrals. The school does not guarantee job placement. Beaver Beauty Academy does not offer Co-Op Participation.

## **GUEST SPEAKERS AND SPECIAL EVENTS**

As a part of the school's effort to provide a wide range of experiences, guest speakers, stylists and salon owners are included in the curriculum. Schedules for special events are a part of the training program. Occasional field trips to malls, high schools, salons and hospitals help students develop skills.

## **RELEASE OF STUDENT INFORMATION**

The school will not release information or records to unauthorized persons or agencies without written permission of the student and/or the student's parent or guardian if the student is a minor.

## **TRANSCRIPTS**

A complete set of the student's records, including a transcript of grades are kept in a permanent electronic file. One copy of the transcript is provided to each student free of charge. Other records are available upon request; at a fee of \$20 will be incurred. Students may obtain transcripts by obtaining and completing a transcript request form. The forms can be found in the admission's office.

## **EVALUATION AND COUNSELING**

Individual counseling and evaluations are given two times during the 1500-hour course. Also, additional counseling is available for students needing assistance in other areas, such as career, housing, person, etc.

### **Treatment of Repeated Courses, Pass/Fail Courses, Incompletes, Withdrawals and Absences**

## INCOMPLETES/GRADE CHANGE

Incomplete grades will convert to an “F” if the work is not completed within 5 weeks and will impact the student’s cumulative GPA, timeframe and incremental completion rate. A withdrawal or repetition will be counted in the calculation of the timeframe and incremental completion rates.

## WITHDRAWALS

A student who wishes to withdraw from school for compelling personal reasons should notify the school in writing using a schedule change form stating the reasons for withdrawal and whether or not the student intends to return at a later date to pursue a program of study. Students who fail to complete the program will be charged the applicable fees and portion of the tuition cost. The Enrollment Agreement is a legally binding document and the terms therein must be adhered to by the student. If a student discontinues a program at any point, a charge will be assessed for tuition including the above fees. If at any time a student desires to know his/her financial obligations- in the event he/she should discontinue school, they should make an appointment with the School Director. When a student withdraws, a final transcript will be prepared that will include all grades to include passing and failing grades as well as hours accumulate at the school. Failure to complete classes does not release a student from liability toward repayment of student loans obtained to attend school.

## TRANSFER HOURS

Hours accepted by BBA to count toward completion of program will be recognized as both scheduled hours and completed hours and the review process will be implemented at the remaining time frames.

## APPEALS PROCESS

Appeals for re-establishing eligibility may be based on circumstances that prohibited the student from meeting SAP standards during the probationary period. Extenuating circumstances must be supported by official documents. Examples of extenuating circumstances:

Death of an immediate family member

Documented illness

Major accident or injury (self, child, spouse or parent)

Victim of a crime or unexpected disaster

**Students must complete and submit an Academic Progress Appeal Request form along with official documentation, student’s statement and a current educational plan. Incomplete forms will be returned to the student.**

## SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Beaver Beauty Academy students must maintain what is termed “satisfactory academic progress” (SAP) always. The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Beaver Beauty Academy. It is printed in our catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by The Council of Occupational Education (COE) and the federal regulations established by the United States Department of Education. The SAP policies listed below include satisfactory attendance progress, and satisfactory academic progress, and aim to ensure a student is above the minimum requirements for progression at determined evaluation points.

The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of their program. This indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

## EVALUATION PERIODS

**Students are evaluated for Satisfactory Academic Progress based on actual hours as follows:**

<b>Scheduled Hours</b>	<b>Evaluation Period</b>
250 Hr.....	125
500 Hr.....	250
600 Hr.....	300
750 Hr.....	300
1000 Hr.....	450, 900
1500 Hr.....	450, 900, 1200

## TRANSFER STUDENTS

SAP A transfer students evaluation point will be midway through the contract hours or the established evaluation period, whichever comes first. Evaluations will determine if the student has met the minimum requirement for satisfactory academic progress. The frequency of evaluations ensure that students have had at least one evaluation by the mid-point of: the academic year or the course and/or program, whichever occurs sooner.

Students will be provided written notice of their SAP standing during monthly progress report reviews. Students who fall below 70%, will be placed on an Action Plan and a copy will be placed in the student's file.

Students that take a Temporary Leave of Absence, withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long he/she has been out. For students that re-enroll more than 180 days after their last date of attendance, evaluation periods will be determined based on the new contracted hours. To be considered making SAP or to re-establish SAP the student must meet both the cumulative academic and attendance requirements of 70%. If there is any additional information like a grade change or attendance correction that may have an impact on SAP, the institution will recheck SAP using the new information. At the time of evaluation a Student will be in one of three statuses:

1. Satisfactory – Requires no action by Student or school. Maintains status until next evaluation.
2. Warning – Not meeting Satisfactory Academic Progress Standards. Requires no action by the Student, aid eligibility is retained until next evaluation.
3. Probation – Student has the right to appeal but must do so in writing. If appeal is granted Student will be put on Probation until next evaluation period and is eligible for aid. If appeal is denied or Student does not file a written appeal Student shall be terminated.

## WARNING AND UNSATISFACTORY STATUS

Students who fail to meet SAP at the end of a payment period are automatically placed on Warning Status. Students may continue to receive Title IV assistance for one payment period while on Warning status. If the Student does not achieve SAP by the end of the Warning Status, the Student will be placed on Probation, and eligibility, if applicable for Title IV program funds, will cease. A Student has the right to appeal an probation status. Providing that the following conditions are met, a Student may be placed on probation and allowed to receive Title IV funds for the subsequent payment period:

- a. Any Student seeking an appeal must do so in writing. Students that do not appeal shall be terminated.
- b. The institution must determine that the Student should be able to meet the institution's SAP requirements at the end of that payment period.
- c. The Student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the student, or other special circumstances. The student must document what caused the failure to meet the standards and must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The student must submit all information relating to the appeal in writing within 10 school business days of being notified of being put on Unsatisfactory Status. If the appeal is granted, the student will remain eligible for Title IV funds during the Probation period.
- d. If the Student meets the SAP requirements at the end of the probation period, the student will be removed from probation and will be considered making SAP. If the student does not meet SAP requirements by the end of the probation period, they will be considered not making SAP and where applicable will lose eligibility for Title IV. The student shall also be terminated from the program. A student seeking reinstatement after termination caused by not meeting SAP or official interruption must first meet with the institution's director. The director will determine if the student is eligible to re-enroll. If a student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but where applicable, are not eligible for Title IV program funds unless they are able to re-establish SAP during a specified period of time.

#### **MAXIMUM TIME FRAME**

Maximum time frame for Students is 150% of the Enrollment Period. If, due to attendance or academic problems, a student must attend additional program hours beyond the 150% Maximum Program Length in order to complete the Program, the Student's Enrollment Agreement will terminate. The student may be permitted to complete the program on a cash-pay basis by submitting a request for re-enrollment. A leave of absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

#### **GRADE AVERAGE**

Tools used to establish the academic average of a student include tests, essays, projects, study guides, workbooks and other standard assessment tools. Students are assigned academic learning and a minimum required number of practical applications. Academic learning is evaluated after each chapter or unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Students must maintain a written grade average of 80% and pass a final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

## ATTENDANCE AVERAGE

The attendance percentage is determined by dividing the total hours accrued in the period (monthly or benchmark) by the total number of hours scheduled during that period. At the end of each evaluation period, Beaver Beauty Academy will determine if the student has maintained at least 70% cumulative attendance since the beginning of their course which will be an indicator by attendance that the student will be able to graduate within the maximum time frame allowed.

## ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted towards course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as 100% rating.) If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set practical skills evaluation criteria adopted by the school. Student must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Student must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<b>Grading Scale</b>	
<b>Letter Grade</b>	<b>Numerical Grade</b>
A (Excellent)	90-100
B (Good)	80-89
C (Average)	70-79
F (Failure)	Below 69

## FINANCIAL AID & STUDENT ELIGIBILITY

**Financial Aid eligibility** is available to those who qualify. The Financial Aid office offers an entrance interview with prospective students. Beaver Beauty Academy participates in three federal programs of assistance – Federal Pell Grant, Federal Stafford Loans (subsidized and unsubsidized) and parent plus loans. The amount and type of financial aid offer is based upon financial need as determined by the federal government's system of need analysis. All students will qualify for loans, either through subsidized/unsubsidized guaranteed student loans; the exception would be a student who is in default on a previous student loan.

### Application Process & Verification

In order to apply for federal financial aid, the student must complete the application for federal student Aid (FAFSA) by going to [studentaid.gov](http://studentaid.gov) and filling out the information requested. Students may contact the financial aid office if they require help with filling out the FAFSA. Students who are selected for verification

must furnish the necessary documentation required for verification of information submitted. Failure to provide documents for verification will result in the student losing their financial aid and will owe the school any balance for books, kits, fees and tuition. While it is not common, students may be selected for verification after they begin their program by the DOE and must provide these documents as soon as possible to reestablish financial aid. In addition, students who cross over from one award year to the next (June 30th of each year) will need to fill out a new FAFSA for the new award year. This new FAFSA may be selected for verification and you will be required provide the school with documentation to clear your financial aid before further payments may be disbursed. After the application is completed by the student, the information will be sent to a third party servicer – to determine the financial aid eligibility. Once eligibility is determined, the financial aid office will develop a offer letter based on the information provided.

The award letter will list:

- the total cost of the program, including fees, kits, books & cost of living
- the amount of grant and loan funds for which a student qualifies
- a disbursement schedule
- the cash balance if any owed to the school or the credit balance on the account

### **Credit balance on the account**

The award letter is an estimate based on the facts reported by the student and is subject to change if new information is received or a new award year is reached.

### **Financial Aid Programs**

**FEDERAL PELL GRANT:** A federal program of grants (gift) based on demonstrated financial need. Upon receipt of the ISIR, it is used by this institution to determine aid for the student. The maximum annual award is \$7395.00 for the 2023/2023 award year. This amount is prorated for programs less than 1200 hours and is based on a students EFC located on their ISIR/SAR. The school will tell you how to accept all or part of the grant.

**FEDERAL LOANS:** To apply for a federal student loan, you must first complete and submit a Free Application for Federal Student Aid (FAFSA®) form. Based on the results of your FAFSA form, your college or career school will send you a funding estimate, which may include federal student loans. Below is an explanation of three types of Federal Loans, Direct Subsidized Loans, Direct Unsubsidized Loans and Direct Plus Loans.

**SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS:** This is a low-interest, long term loan program available through the U.S. Department of Education. The loan is guaranteed by an agency of the federal government. Interest does not accrue and repayment does not begin while the student is attending an approved school at least on a half-time basis. There is usually a six month grace period after a student leaves school before repayment begins. This loan is based on financial need. **THIS IS A LOAN AND MUST BE REPAYED BY THE STUDENT.**

**REPAID BY THE STUDENT.** An origination fee and a guarantee fee are charged by the lender and deducted from the proceeds of each disbursement. **THIS IS A LOAN AND MUST BE REPAYED BY THE STUDENT.**

**UN-SUBSIDIZED FEDERAL DIRECT STAFFORD LOANS:** This is a loan guaranteed by the federal government. It is available to students who may require additional funds beyond the subsidized Stafford Loan. The government does not pay the interest while the student is attending school, but interest and principal can be deferred until six months after graduation, or it may be repaid while the student is attending school. Interest rates are identical to the subsidized Stafford Loans. It is strongly recommended that students borrow under this program only what is absolutely necessary to meet educational expenses.

**PARENT PLUS LOANS:** Parents of dependent students can take out a parent plus loan to help pay for education expenses not covered by other financial aid. A parent can go to studentaid.gov to fill out the application or contact the financial aid office. A credit check by the department of education is required. If a parent is declined for a PPL, the student can receive “independent” level loans. This credit check expires after 180 days and a parent may be required to fill out an additional credit check during the students program. Please see studentaid.gov to learn more about this option or contact the financial aid department.

### **Completing The Application Process**

**Master Promissory Note:** All students who are receiving loans must go to studentaid.gov and complete the master promissory note. Parents who are taking out a parent plus loan must also fill this out. Your financial aid can not be disbursed without this step in the process.

**Loan Entrance Counseling:** Loan Entrance Counseling is also required for any students who is taking out loans and is located on the website studentaid.gov. If you have any questions or need help, please contact the Financial aid department.

*\* We are also approved for training grants from vocational rehabilitation and Veteran's training.*

### **CREDIT BALANCE POLICY**

A title IV credit balance occurs whenever the school credits Title IV program funds to a student's account and the total amount of those Title IV funds exceeds the student's allowable charges for that period. At that time, the school has 14 days in which to refund any credit balance due to the student. However, all students are asked to authorize the school retain credit balances to cover any further balance created in future or subsequent payment periods. Students who refuse or rescind the agreement, will be withdrawn and any credit amounts will be returned to the Department of Education within 14 days.

This authorization will remain in effect for each subsequent payment period unless you withdraw it. However, in no case will the school hold an FSA credit balance of loan funds beyond the end of the loan period, nor a credit balance of other funds beyond the end of the last payment period in the award year for which the funds were awarded. Please refer to your copy of the award letter for your anticipated payment period dates. The credit balance authorization may be withdrawn at any time by providing a written request to the financial aid office. Please note: your cancellation will not be retroactive. Your credit balance will be processed within 14 days of receipt of your notice to rescind your

authorization. You will be withdrawn and any credit amounts will be returned to the Department of Education within 14 days.

## RETURN TO TITLE IV FUNDS POLICY

If a Title IV financial aid recipient withdraws prior to program completion, a calculation for return of R2T4 funds will be completed and any applicable returns by the school shall be paid, as applicable, First to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, state, private, or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

### A. Payment Periods & Disbursement Policy

### B. Withdrawal from the School

When a student officially or unofficially withdraws from their course of study and a withdrawal date and determination date have been determined, a refund calculation (R2T4) is performed.

### C. Determination Date

The date of determination is defined as the date that the school determines when the student dropped.

In the event student misses 14 consecutive days of school, a refund calculation (R2T4) will be performed on the 14<sup>th</sup> day. The withdrawal date will be the students' last day of physical attendance and the 14<sup>th</sup> day missed will be the date determined.

In the event a student does not return from a Leave of Absence on the scheduled date or if the student notifies the school that they will not be returning from Leave of Absence, a refund calculation (R2T4) will be performed on the earlier of the

two dates. The withdrawal date will be the students' last day of physical attendance and either the scheduled return date or the date the student notifies the school they will not be returning, whichever date is earlier, will be the date determined.

**D. Official Withdrawal**

When a student officially withdraws from their course of study, the date determined will be the date that the student notifies Beaver Beauty Academy. In the event we receive notification of termination via the U.S. Postal Service, the postmark date will serve as the date of determination.

**E. Unofficial Withdrawal**

If a student does not officially withdraw, Beaver Beauty Academy will determine a withdrawal date and determination date and proceed with the Return to Title IV (R2T4) calculations set forth by the Department of Education. All refunds due to the Dept. of Education will be returned within 45 days from the date of determination of withdrawal. Unofficial withdrawals are determined through monitoring attendance at least every fourteen days.

**Return of Unearned Title IV Funds**

If a Title IV financial aid recipient withdraws from their course of study after beginning attendance, but prior to course completion, a calculation for return of Title IV funds will be completed based on the guidelines set out by the Department of Education and any applicable returns by the school shall be paid. Unearned funds must be returned to the Department of Education within 45 days from the date the institution determined that the student withdrew.

The order in which Title IV funds are returned are as follows:

- a. Federal Direct Loan Program Unsubsidized
- b. Federal Direct Loan Program Subsidized
- c. Federal Direct Loan Program PLUS
- d. Federal Pell Grant
- e. Federal, State, private or institutional student financial aid programs
- f. Student

After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. If the amount disbursed to the student is less than the amount the student earned and is eligible for, the student is eligible to receive a post-withdrawal disbursement of the earned aid that was not received. Any refunds due to the student will be made within 14 days.

**G. Determination of Title IV Earned by the Student**

Up through the 60% point in each payment period, a calculation is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds.

## **INTERRUPTIONS, COURSE INCOMPLETES AND WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status prior to the Leave of Absence. Hours elapsed during a Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken in the Leave of Absence.

## **STUDENT RIGHTS OF ACCESS & PROGRESS REPORTS**

Student records are the sole property of the school and may not be removed from the school. Students may review their records upon written request. Records will be made available in the office and may NOT be taken from the school for any

reason. Progress reports are issued every 8 weeks. Students also have 24 hour access to their grades, hours, etc. via the online student information portal.

## SOCIAL MEDIA POLICY-

All policies regarding discrimination and proper behavior while in school, apply to social media. Any student who uses social media to discriminate for any reason, verbalize disparaging or disrespectful remarks is in violation of the school conduct code and rules and may be grounds for termination. If the improper social media is on the school website/Facebook page, it will be removed and the student will be brought into the office to discuss further actions. If the remark is on your

own personal page, you will be asked to remove the statement and will be given a 24 hour period to do so. You will then be brought to the office to discuss further actions which may be taken. Conduct that is inappropriate in the classroom is inappropriate online. The way you represent yourself online is an extension of yourself and may be viewed by prospective employers.

## DISCIPLINARY POLICY

Degrees of discipline are generally progressive and are used to ensure that the student has the opportunity to correct his or her performance. There is no set standard of how many oral warnings must be given prior to a written warning or how many written warnings must precede termination.

Factors to be considered are:

- How many offenses are involved
- The seriousness of the offense
- The time interval and student response to prior disciplinary action

In cases of serious offenses including, but not limited to, fighting, theft, threats of violence, the sale or possession of drugs or use of alcohol on campus, and includes any behavior that is legally defined by the government as sexual harassment, termination may be the first and only disciplinary step taken.

In general, the sequence of warnings will be oral, written and the discharge. A student who is being loud, disrespectful to other students or staff, argumentative, using inappropriate language, or leaves the campus without permission/clocking out, may be sent home for the day and must meet with the campus director before returning to school. If a student is not willing to make amends and correct their behavior, a three day suspension may be in order.

## ACCIDENT OR INJURY:

Report all injuries or illnesses immediately to your instructor.

Complete an Incident/Injury Report form.

The form can be obtained from the staff handbook, front desk, or electronically in the SIS Log in, Click on Reference, Forms, Select Report it from the forms list in the right hand margin.

## STUDENT GRIEVANCE PROCEDURE

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students are aware of the compliant/grievance process. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. All student grievances should be reported directly to the campus director utilizing the compliant tool located in the SIS or by general email within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
3. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
4. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.

5. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
6. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.

Personal belongings are the student's responsibility. Locker space may be available for rental, and all equipment should be marked for identification and cared for carefully. Lockers and locks are school property. For safety reasons, school management requires the use of school locks, and reserves the right to cut off any personal locks, or to enter lockers at any time. Personal effects left in lockers after student has dropped below half time attendance may be removed and held for 30 days. During this 30 day time, we will attempt to notify the student to make other storage arrangements. After 30 days, the school assumes no responsibility for these items and they may be disposed of in any way convenient. All equipment necessary to the courses is part of the student kits or is provided by the school. It is the student's responsibility to replace any equipment as necessary to complete work assignments, if such equipment becomes lost, stolen, or broken. Students should have all equipment they might need, to complete any assignment, available at all times.

## PROBATION

If at the end of the warning period the student has still not met both the attendance and academic requirements, he or she may be placed on probation after an appeal process. A student may appeal the determination that would place them on probation. If a student prevails in that appeal, then the student may be placed on probation until the next benchmark.

Students on probation who appeal the decision, and who prevail upon appeal will be making satisfactory academic progress. NOTE: Only students who can meet the SAP policy standards by the next benchmark may be placed on probation. Students who have been placed on a plan to improve must be able to meet requirements set forth in the plan by the end of the next benchmark evaluation period. Students who are progressing per their specific plan will be making SAP. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress, students will be removed from the program.

## PLACEMENT SERVICES

Student information board is provided where job opportunities are posted. Prior to graduation all students are counseled as to jobs in which they wish to apply for. The school however, does not guarantee job employment, and makes no statements to the fact that after graduation a job is guaranteed.

According to the Georgia Department of Labor (DOL) Supply and Demand Data, personal appearance workers (Barbers, Hairdressers, and Cosmetologists) is projected to increase by 10% nationally between 2014-2024. Whereas all other occupations are expected to grow at a rate of 7% during the same time frame. Overall employment of barbers, hairdressers, and cosmetologists is projected to grow 10 percent from 2014 to 2024, faster than the average for all occupations. The site goes on to report that “Employment of hairdressers, hairstylists, and cosmetologists is projected to grow 10 percent from 2014 to 2024, faster than the average for all occupations. Demand for hair coloring, hair straightening, and other advanced hair treatments has risen in recent years, a trend that is expected to continue over the coming decade.” Additionally, job prospects are expected to be good. A large number of job openings will stem from the need to replace workers who transfer to other occupations, retire, or leave the occupation for other reasons. However, workers should expect strong competition for jobs and clients at higher paying salons, of which there are relatively few and for which applicants must compete with a large pool of experienced hairdressers and cosmetologists.
